SECTION 1. AMENDMENT OF SECTION 13.20.100(B) OF THE EVANSVILLE MUNICIPAL CODE.

Section 13.20.100(B) of the Evansville Municipal Code shall be amended as follows:

(B) Permit fees will be due annually. The permit fee for the period beginning January 1, 1987, shall be \$50.00 per permittee facility. Prorated annual fees will be due semi-annually with the program cost being prorated based on the total of industrial wastewater contributed by each permitted industry. The percentage of flow contributed by each permitted industry will be based on actual industrial wastewater discharge. The prorated annual fee for the 12-month period beginning July 1, 2014 shall be \$446,300, which shall be apportioned among each permitted industry on a prorated basis. Before July 1, 2015, and each July 1st thereafter, the Common Council shall establish both the permit fee and the prorated annual fee for the next 12-month period. Should the Common Council fail to establish the permit fee or the prorated annual fee for any year, the permit fee and the prorated annual fee for that year shall be the same as the permit fee and the prorated annual fee for the preceding year.
